

EXPERIENCE

UI/UX Designer

Core Software Integrated

Jan 2022 - Present, California

- Designed and implemented software solutions to meet business and technical requirements.
- Participated in stakeholder meetings with a cross-functional team, and helped define go-to-market strategies.
- Created documentation to teach new team members company standards and best practices. This shortened learning time by an average of 16 days.
- Created and oversaw wireframe designs from client requests.
- Built mock designs and wireframes for landing pages for 5 new product concepts.
- Created accessible, responsive, and functional user interfaces to give visitors on any device the same perfect user experience.

UI/UX Designer

Tathyakar Technologies

Sept 2021 - Jan 2022, Kathmandu, Nepal

- Led end-to-end research and testing to attract new target audience.
- Mentored interns on design thinking approach and typography.
- Carried out user research, ideation, storyboarding and rapid prototyping.
- Aligned the research roadmap.

UX Intern

Leapfrog Technology

Jun 2021 - Aug 2021, Kathmandu, Nepal

- Practiced design thinking framework and produced a short case study on a mock project.
- Practiced Leapfrog’s Discovery and Design process through a mock project.
- Prepared a discovery document for stakeholders from primary research via interviews and surveys from users and stakeholders, secondary research via competitor & comparative analysis, and SWOT analysis. Synthesized data via user persona, and empathy map and analyzed user pain points.
- Presented a capstone project with all the deliverables such as user flows, information architecture, paper wireframe, lo-fi wireframe and hi-fi designs

UI/UX, Frontend Developer (Freelance)

Habitat Nepal

Dec 2020 - Mar 2021, Kathmandu, Nepal

- Redesigned the entire website for Habitat Nepal.
- Created reusable codes using React.
- Proposed and implemented coherent user experiences.

Frontend Developer Intern

ibriz.ai

Nov 2020 - Jan 2021, Kathmandu, Nepal

- Designed interfaces for video games.
- Web development using React.js and CSS.
