Nepal at Glance

Nepal is an underdevelopment landlocked country inhabited by 23 millions populations of enormous culture and ethnic diversity . It is officially the Federal Democratic Republic of Nepal.

The rate of unemployment and underemployment approaches half of the working -age population. Thus many Nepali citizens move to other countries in search of work.

About us

Asia Recruitment Nepal is truly independent human resource consultancy which supplies Nepalese human resources abroad.
We supply skilled, semiskilled, technical and professional manpower based on the demand of our clients.

Our dream is to explore the employment opportunities abroad for the qualified and deserving individuals from Nepal, who wants to take their career in global scale.

Message from CEO

Our workers are reputed for their obedience , dutiful and loyal nature to their employers. We have been supplying different categories of manpower unskilled labor, semi-skilled trade persons, qualified engineers to many gulf countries like Saudi Arabia, Qatar, U.A.E and others.

We are even ready to provide the workers to any country who can provide us approved work-permit visas allowed by Nepal Government.

Shambhu Dayal Agrawal
CEO
